

Eurotronic Products GmbH

Retouren-Abteilung:

Herr Schnieber
Tel.: +49 (0) 231 878 00 373
Fax: +49 (0) 231 878 00 372
Email: retoure@eurotronic.net

RETURN FORM No: _____

You can download this form from: www.eurotronic.net

How to return items to Eurotronic Products GmbH:

1. We will only take back items showing a return number that was given to you by Eurotronic Products GmbH.
2. Before sending in an item, any customer is obliged to first contact Eurotronic Products GmbH and ask for a return number. You can get this from your personal service contact, the purchase department or the returns department.
3. Upon this application, the customer gets a filled in return form with the corresponding return number from us.
4. We will only take back authorized items. Any non-authorized item sent in will be shipped back to the customer at his own expense.
5. We will only take back items which are complete and packed in their original packing. Otherwise, the items will be shipped back to the customer at his own expense!
6. Please put the return form into the package and note the return number on the outside of the package.
